# Project ANUBHAV Internship Program 2019
## - By Blocklogy Edutech Private Limited

Blocklogy Edutech Pvt. Ltd. is an emerging EduTech firm strongly backed by Sister Concerns 'KMPARDS' and 'Time Swappers Technologies'. Blocklogy is a mobile based eLearning App for learning next gen technologies where students can learn anytime anywhere through self-paced learning.

In order to educate the youth about hi-tech front-line technologies like Blockchain, IOT, AI & ML ,Data Science, Networking & Ethical Hacking, , Software Testing, Objective C & iOS, Digital Marketing, etc. across the globe, Blocklogy has come up with Mobile App based platform where students can subscribe and learn.

## Project ANUBHAV

Blocklogy is conducting Project Anubhav which is an Exclusive Internship Program to empower deserving interns by getting them skilled and equipped to face the challenges of business markets.

## Why Project ANUBHAV

In Context to the AICTE INTERNSHIP POLICY (https://www.aicte-india.org/sites/default/files/AICTE%20Internship%20Policy.pdf) for students of AICTE approved campuses. Blocklogy Edutech Pvt. Ltd has created Project ANUBHAV for skill development ( as per vision and objectives of Pradhan Mantri Kaushal  Vikas Yojna). The main aim  is enhancement of the employability skills of the students passing out from Technical Institution through Project oriented training.

In reference with  AICTE guidelines for internship, Blocklogy has prepared a model curriculum with the help of prominent professionals which will produce competent employable graduates as per the needs of the industries. The model curriculum includes the internship for students for 3 months duration with multiple milestones.

## Programs based on Internship Training ( like our Project ANUBHAV ) are much needed for students of any professional degree or diploma curriculum

- Understand and Apply latest technological methods in developing applications.
- Gain experience in writing Technical reports/projects.
- Learn to apply the Technical knowledge in real industrial situations.
- Expose students to the social and corporate responsibilities and ethics.
- Familiarize with various materials, processes, products and their applications along with relevant aspects of market research & analytics
- Promote academic, professional and/or personal development.
- Expose the students to future employers.
- Understand the social, economic and administrative considerations that influence the working environment of corporate organizations.
- Understand the psychology of the professionals and their habits, attitudes and approach towards problem solving.

## Why Blocklogy Introduced Project ANUBHAV

- Availability of ready to contribute candidates for employment.
- Year round source of highly motivated pre-professionals.
- Students bring new perspectives to problem solving.
- Visibility of the organization is increased on campus.
- Quality candidate's availability for temporary or seasonal positions and projects.
- Freedom for industrial staff to pursue more creative projects.
- Availability of flexible, cost-effective work force not requiring a long-term employer commitment.
- Proven, cost-effective way to recruit and evaluate potential employees.
- Enhancement of employer's image in the community by contributing to the educational enterprise

## Benefits to Students from Project ANUBHAV

- An opportunity to get hired by the Industry/ organization.
- Practical experience in an organizational setting.
- Excellent opportunity to see how the theoretical aspects learned in classes are integrated into the practical world. On-floor experience provides much more professional experience which is often worth more than classroom teaching.
- Helps them decide if the industry and the profession is the best career option to pursue.
- Opportunity to learn new skills and supplement knowledge.
- Opportunity to practice communication and teamwork skills.
- Opportunity to learn strategies like time management, multi-tasking etc in an industrial setup.
- Opportunity to meet new people and learn networking skills.

## Project ANUBHAV Final Outcome to Top Talent Intern Career Program
